

PUBLIC CONSULTATION

Residential Phases at Eden Park

Feedback Form

Thank you for taking the time to review the development proposals for the Reserved Matters Application. Your feedback is important to us and forms part of the public consultation process for the proposals.

The site benefits from Outline Planning Permission, which was granted in August 2013 and approved the principle of new homes on the site, as well as access to the site.

The Reserved Matters Application will set out how the site will be delivered in line with the existing Outline Planning Permission. This will include the finer details of the design, layout and scale of the new homes.

Please fill in this feedback form and return it via Freepost using our Freepost address.
